**ADJUSTMENT OF SUPERVISION SUMMARY**  
**REQUEST FOR EARLY TERMINATION OF SUPERVISION**

The Offender, Clifford Birdinground, discharged from custody and entered the Residential Re-entry Center on June 5, 2008. He remained in Alternatives, Inc., until his release to supervision on November 30, 2008. Clifford had no violations while in the halfway house.

Upon release, Birdinground returned to Lodge Grass, Montana, where he resumed residence with his wife and grandchildren.

Since the beginning of supervision, there have been no committed violations. Everything that was asked of Clifford he would perform. He submitted timely monthly reports and checked in weekly. Birdinground was diligent about paying his restitution and never missed a months payment. The past two years, the offender was in the IRS Offset Program. Here the government attached any tax return and applied the amount toward restitution. The original total was \$11,101.12. As of this date, June 22, 2011, Mr. Birdinground has paid restitution in full.

This probation officer respectfully recommends an early termination of this offender's supervised release. Restitution is paid in full and he has had no violations during supervision. Both are excellent reasons for terminating him from supervision at this time.
